

4. YOUR FAMILY DISASTER PLAN

POTENTIAL HOUSEHOLD RISKS

- Review County, State, and Federal materials
- Review Local and Nonprofit materials
- Contact your Insurance Agent or review Homeowner's Policy

Prioritize risks

YOUR FAMILY DISASTER PLAN MULTI-RESPONSE PLAN

Formulate a response plan that addresses all identified risks as well as family members abilities. Make sure the plan accounts for sheltering in place, vehicle evacuation, and evacuating on foot.

Helpful Tips:

Assign family/group members various tasks to do as part of your response plan.

ROUTINE CHECKS

YOUR FAMILY DISASTER PLAN

- Every 6-12 months, have the entire household review the plan
- Modify the plan as household members age or leave
- Consult with your Insurance Agent to cover future home perils
- Modify as disaster risks evolve over time
